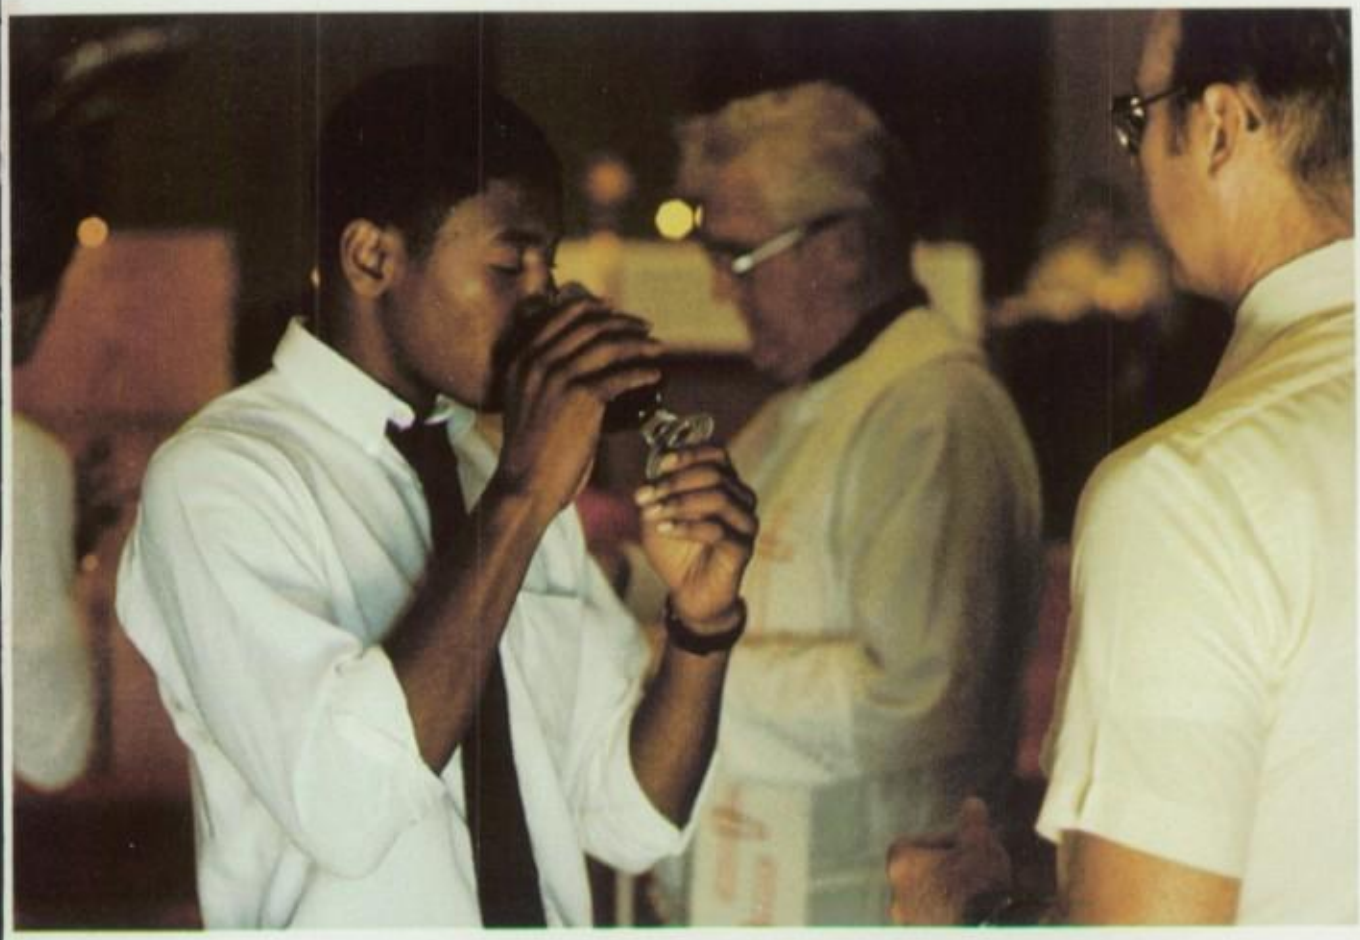
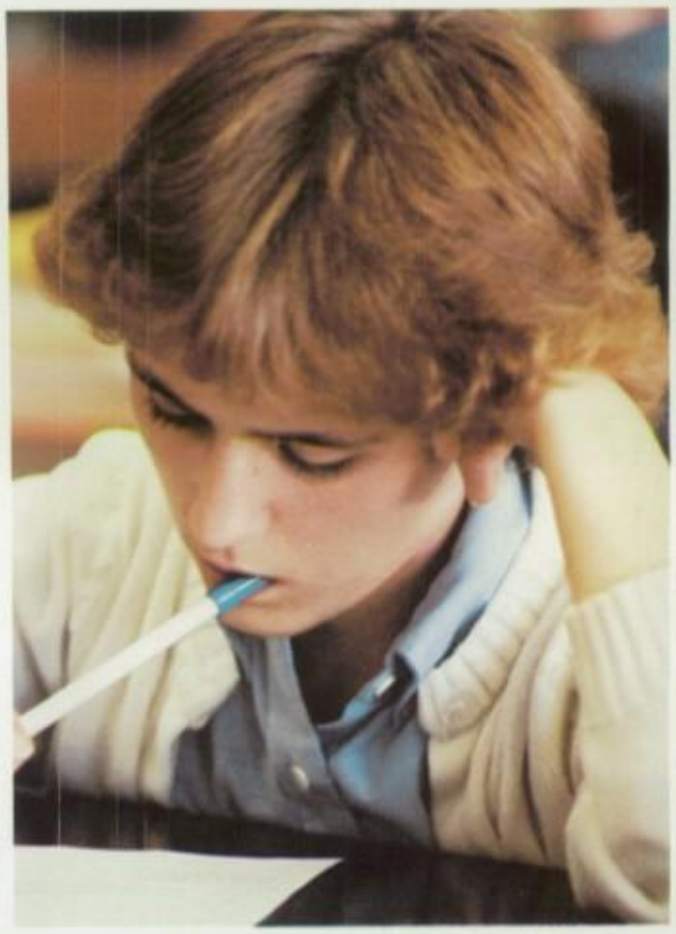
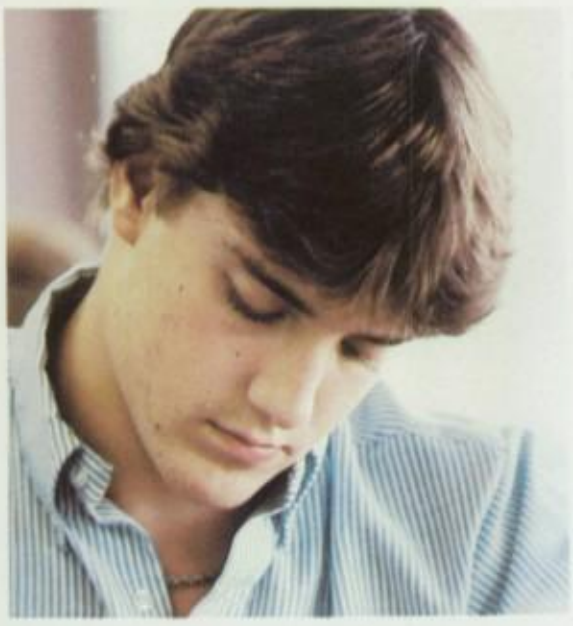
Up And Rising

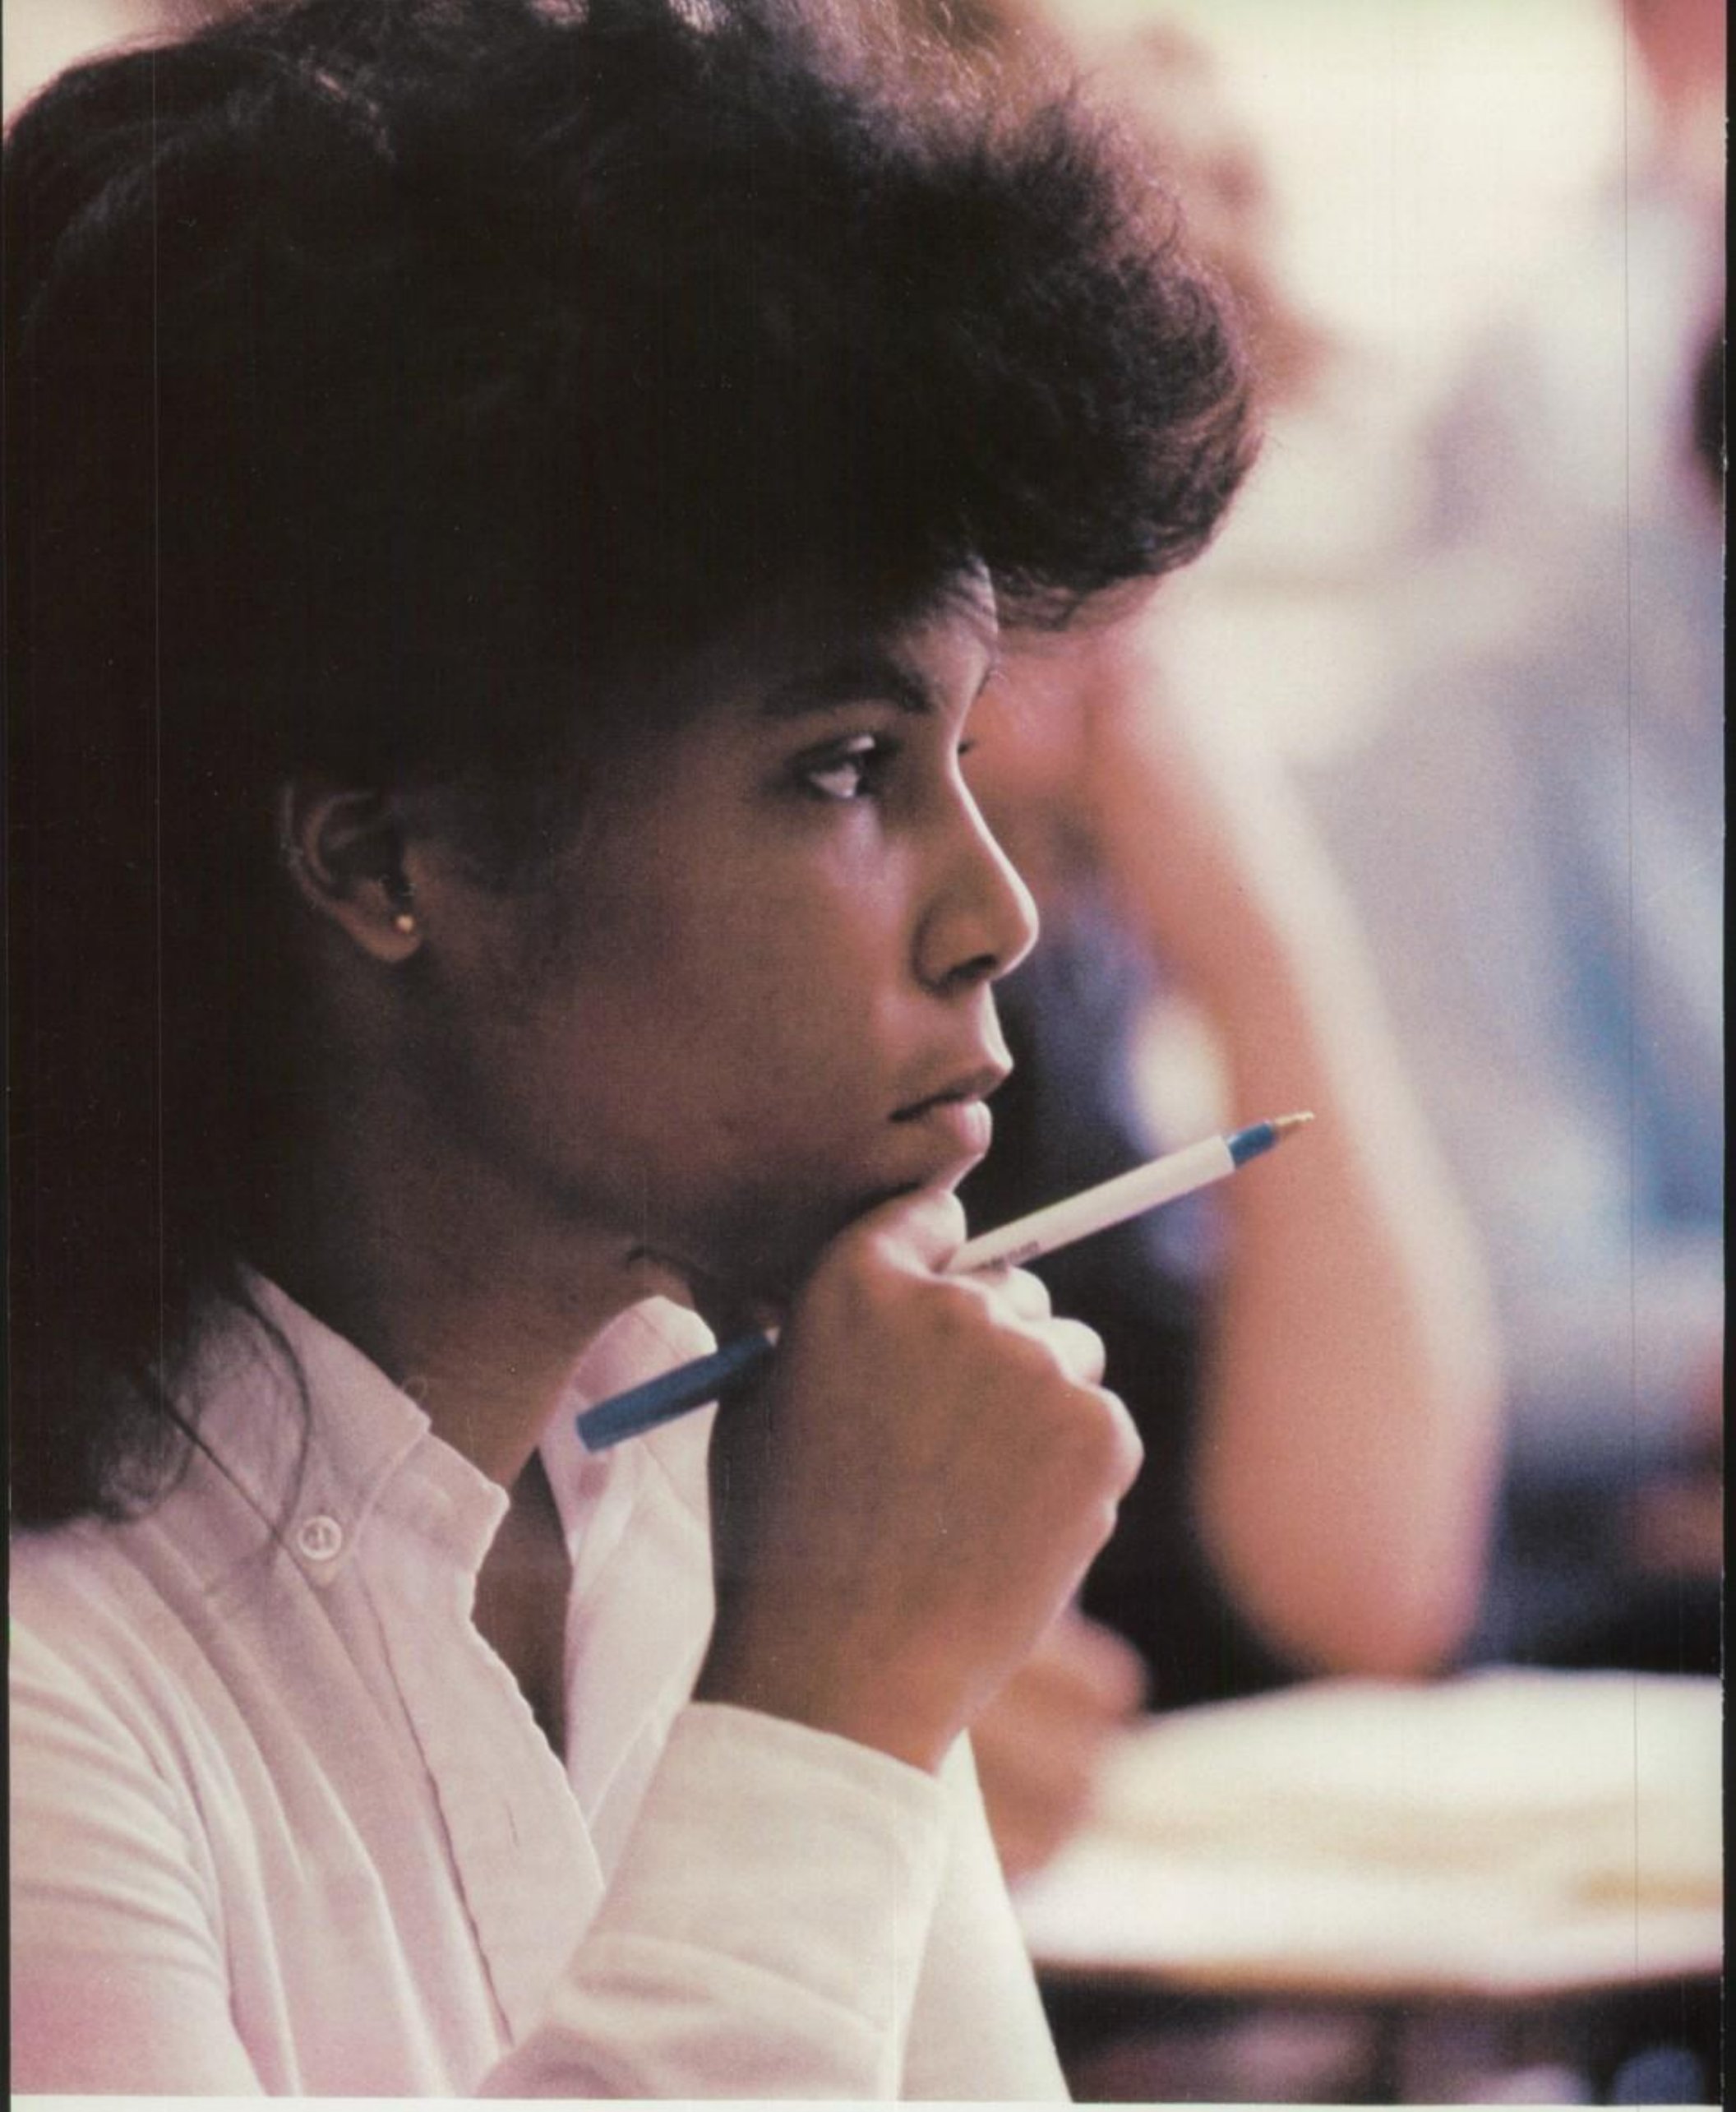
By Cherlyn Garrett

Up and rising
We've come so far

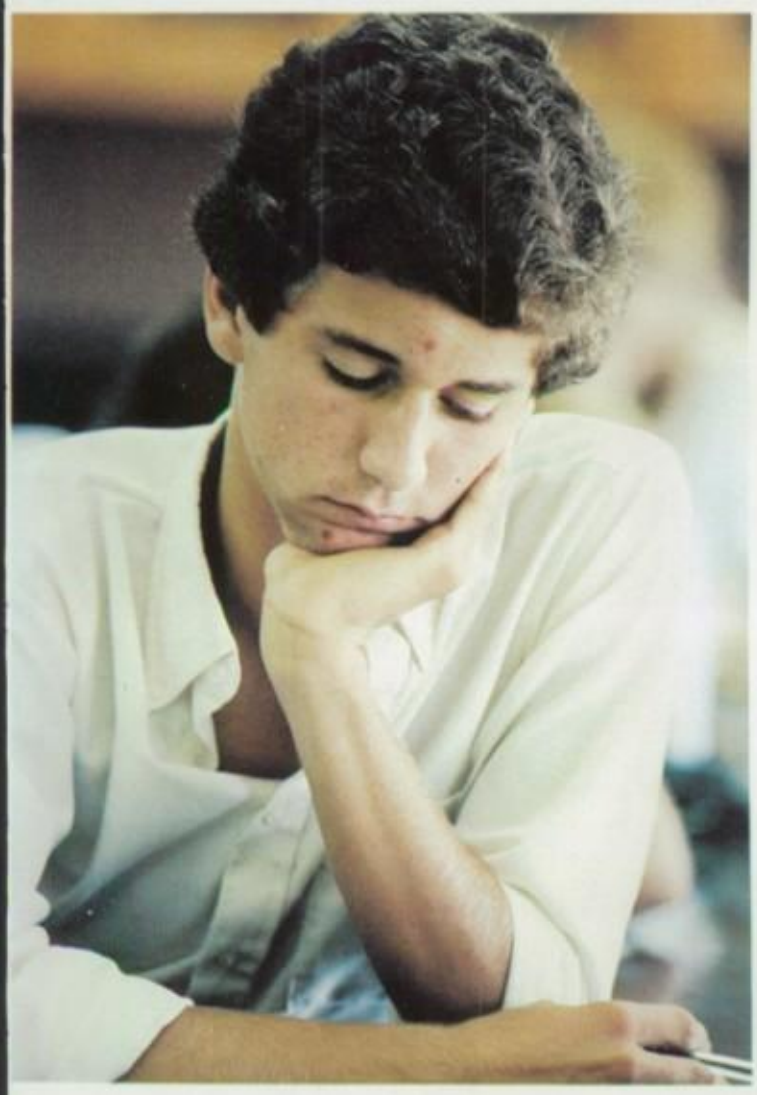


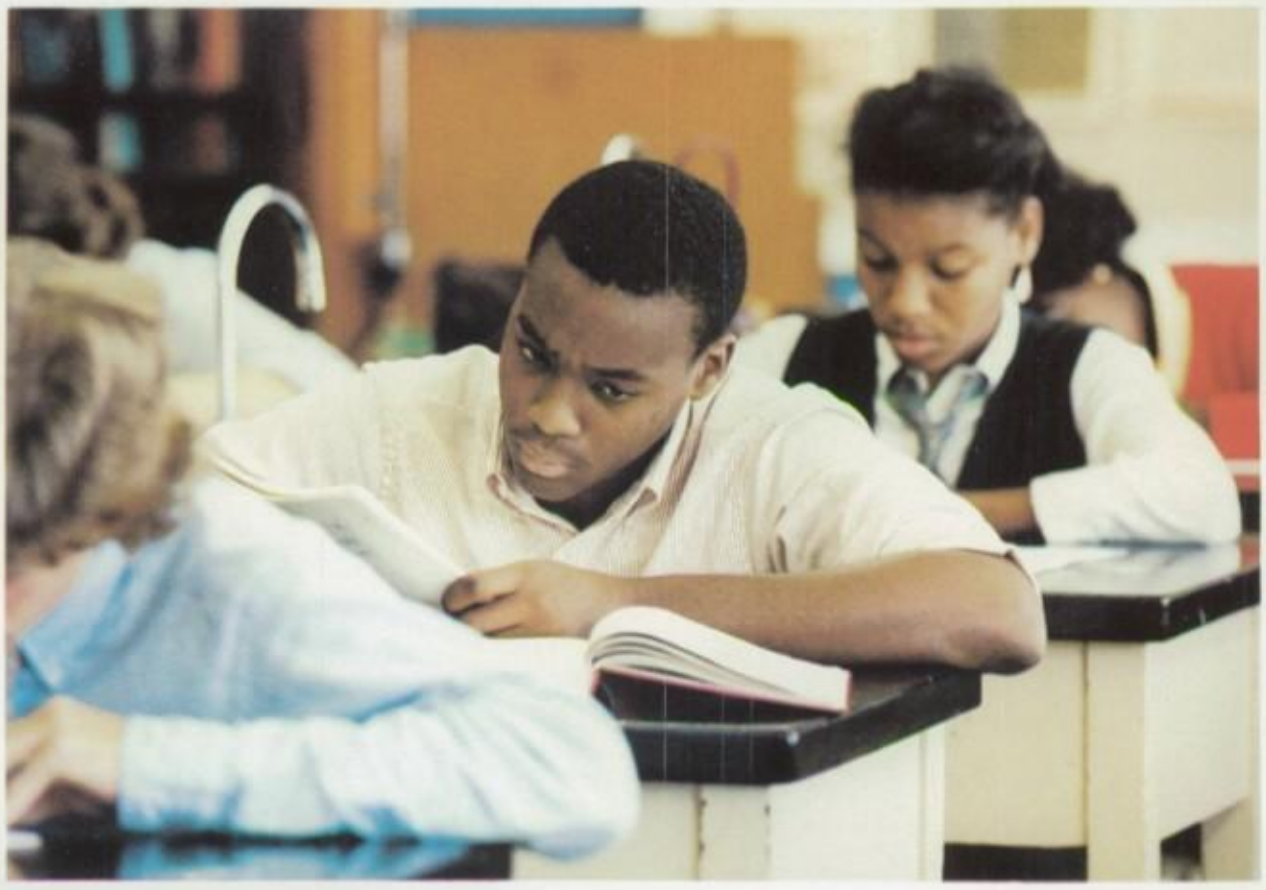


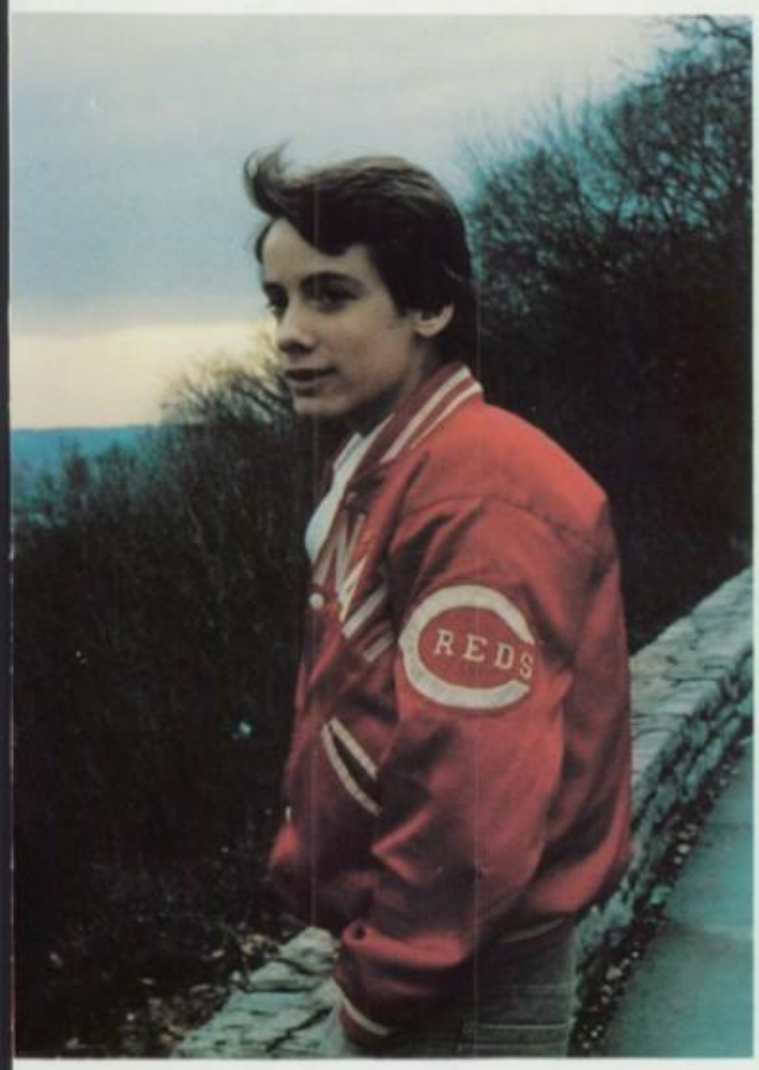


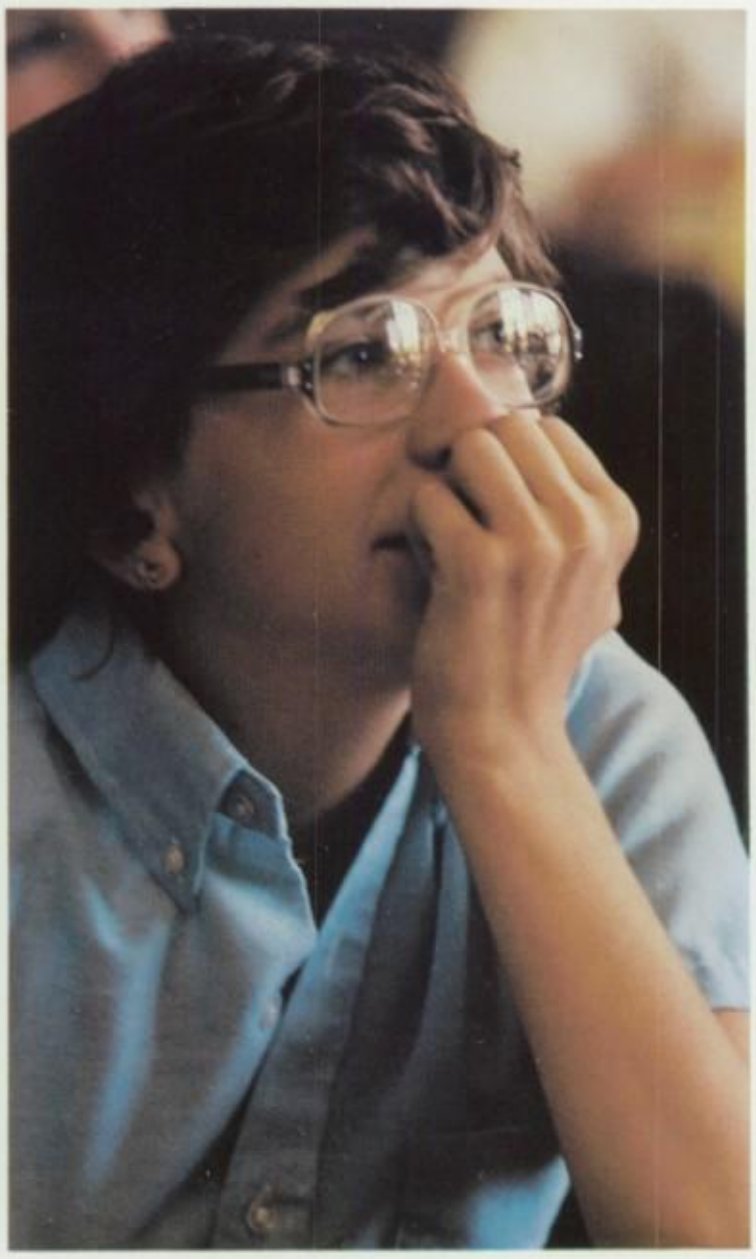


Striving for excellence
Reaching for our shining star.

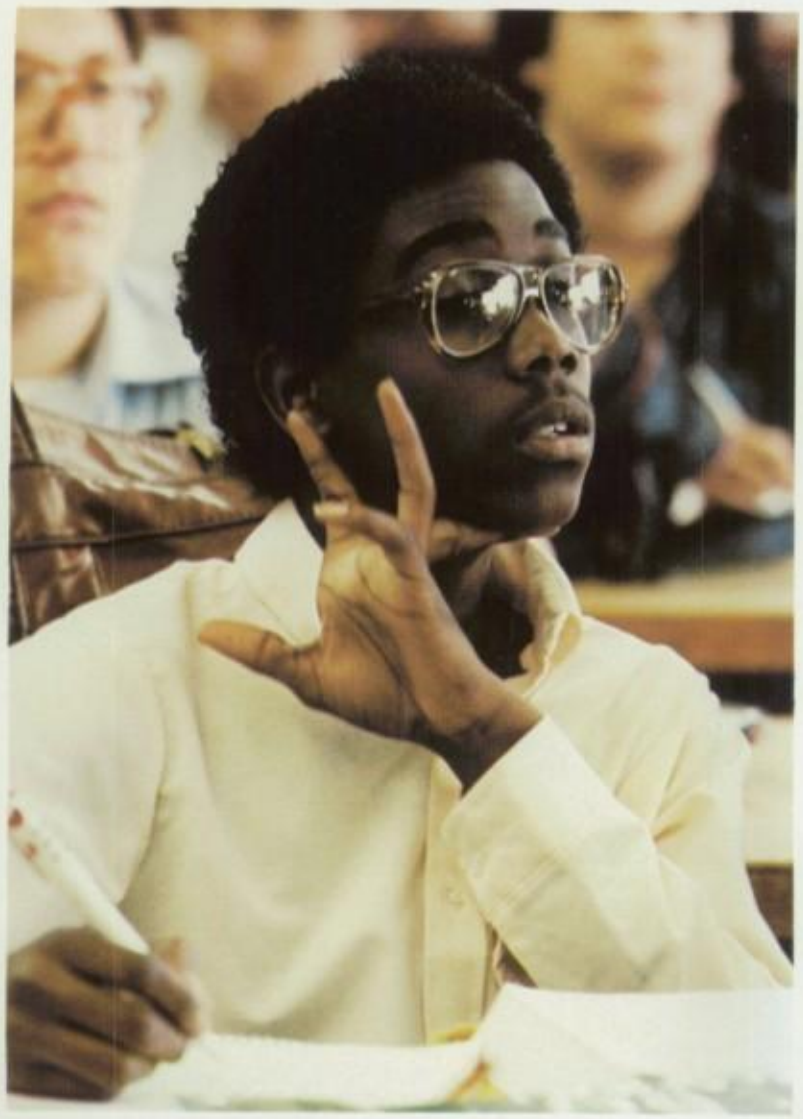


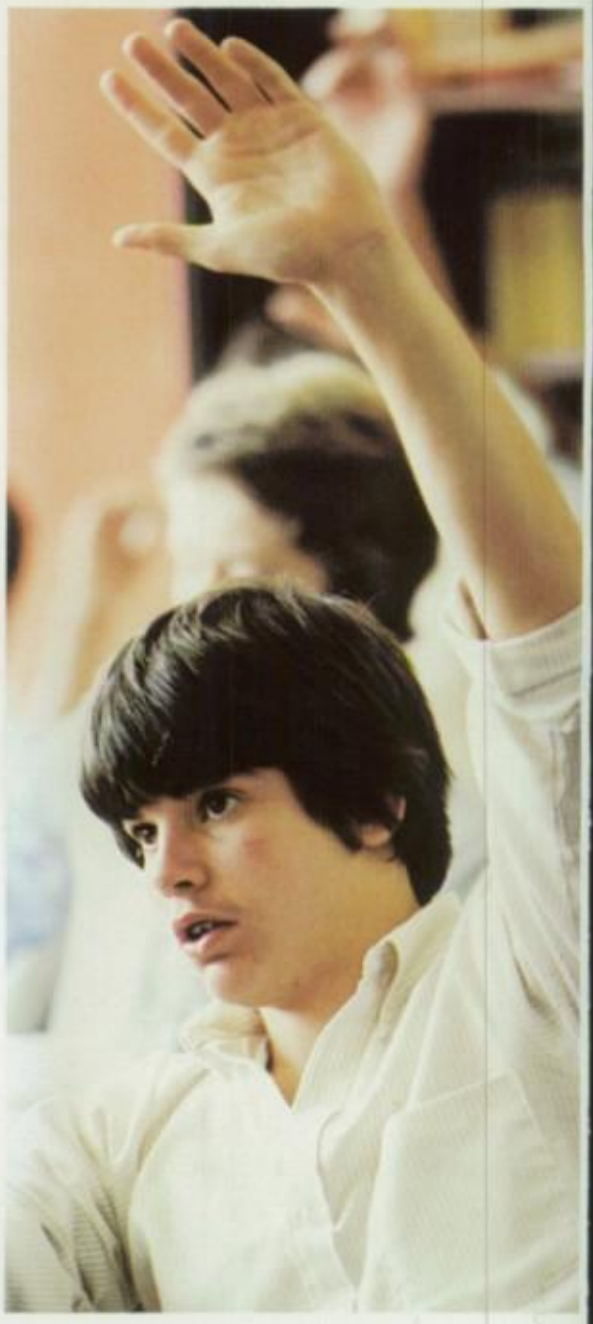


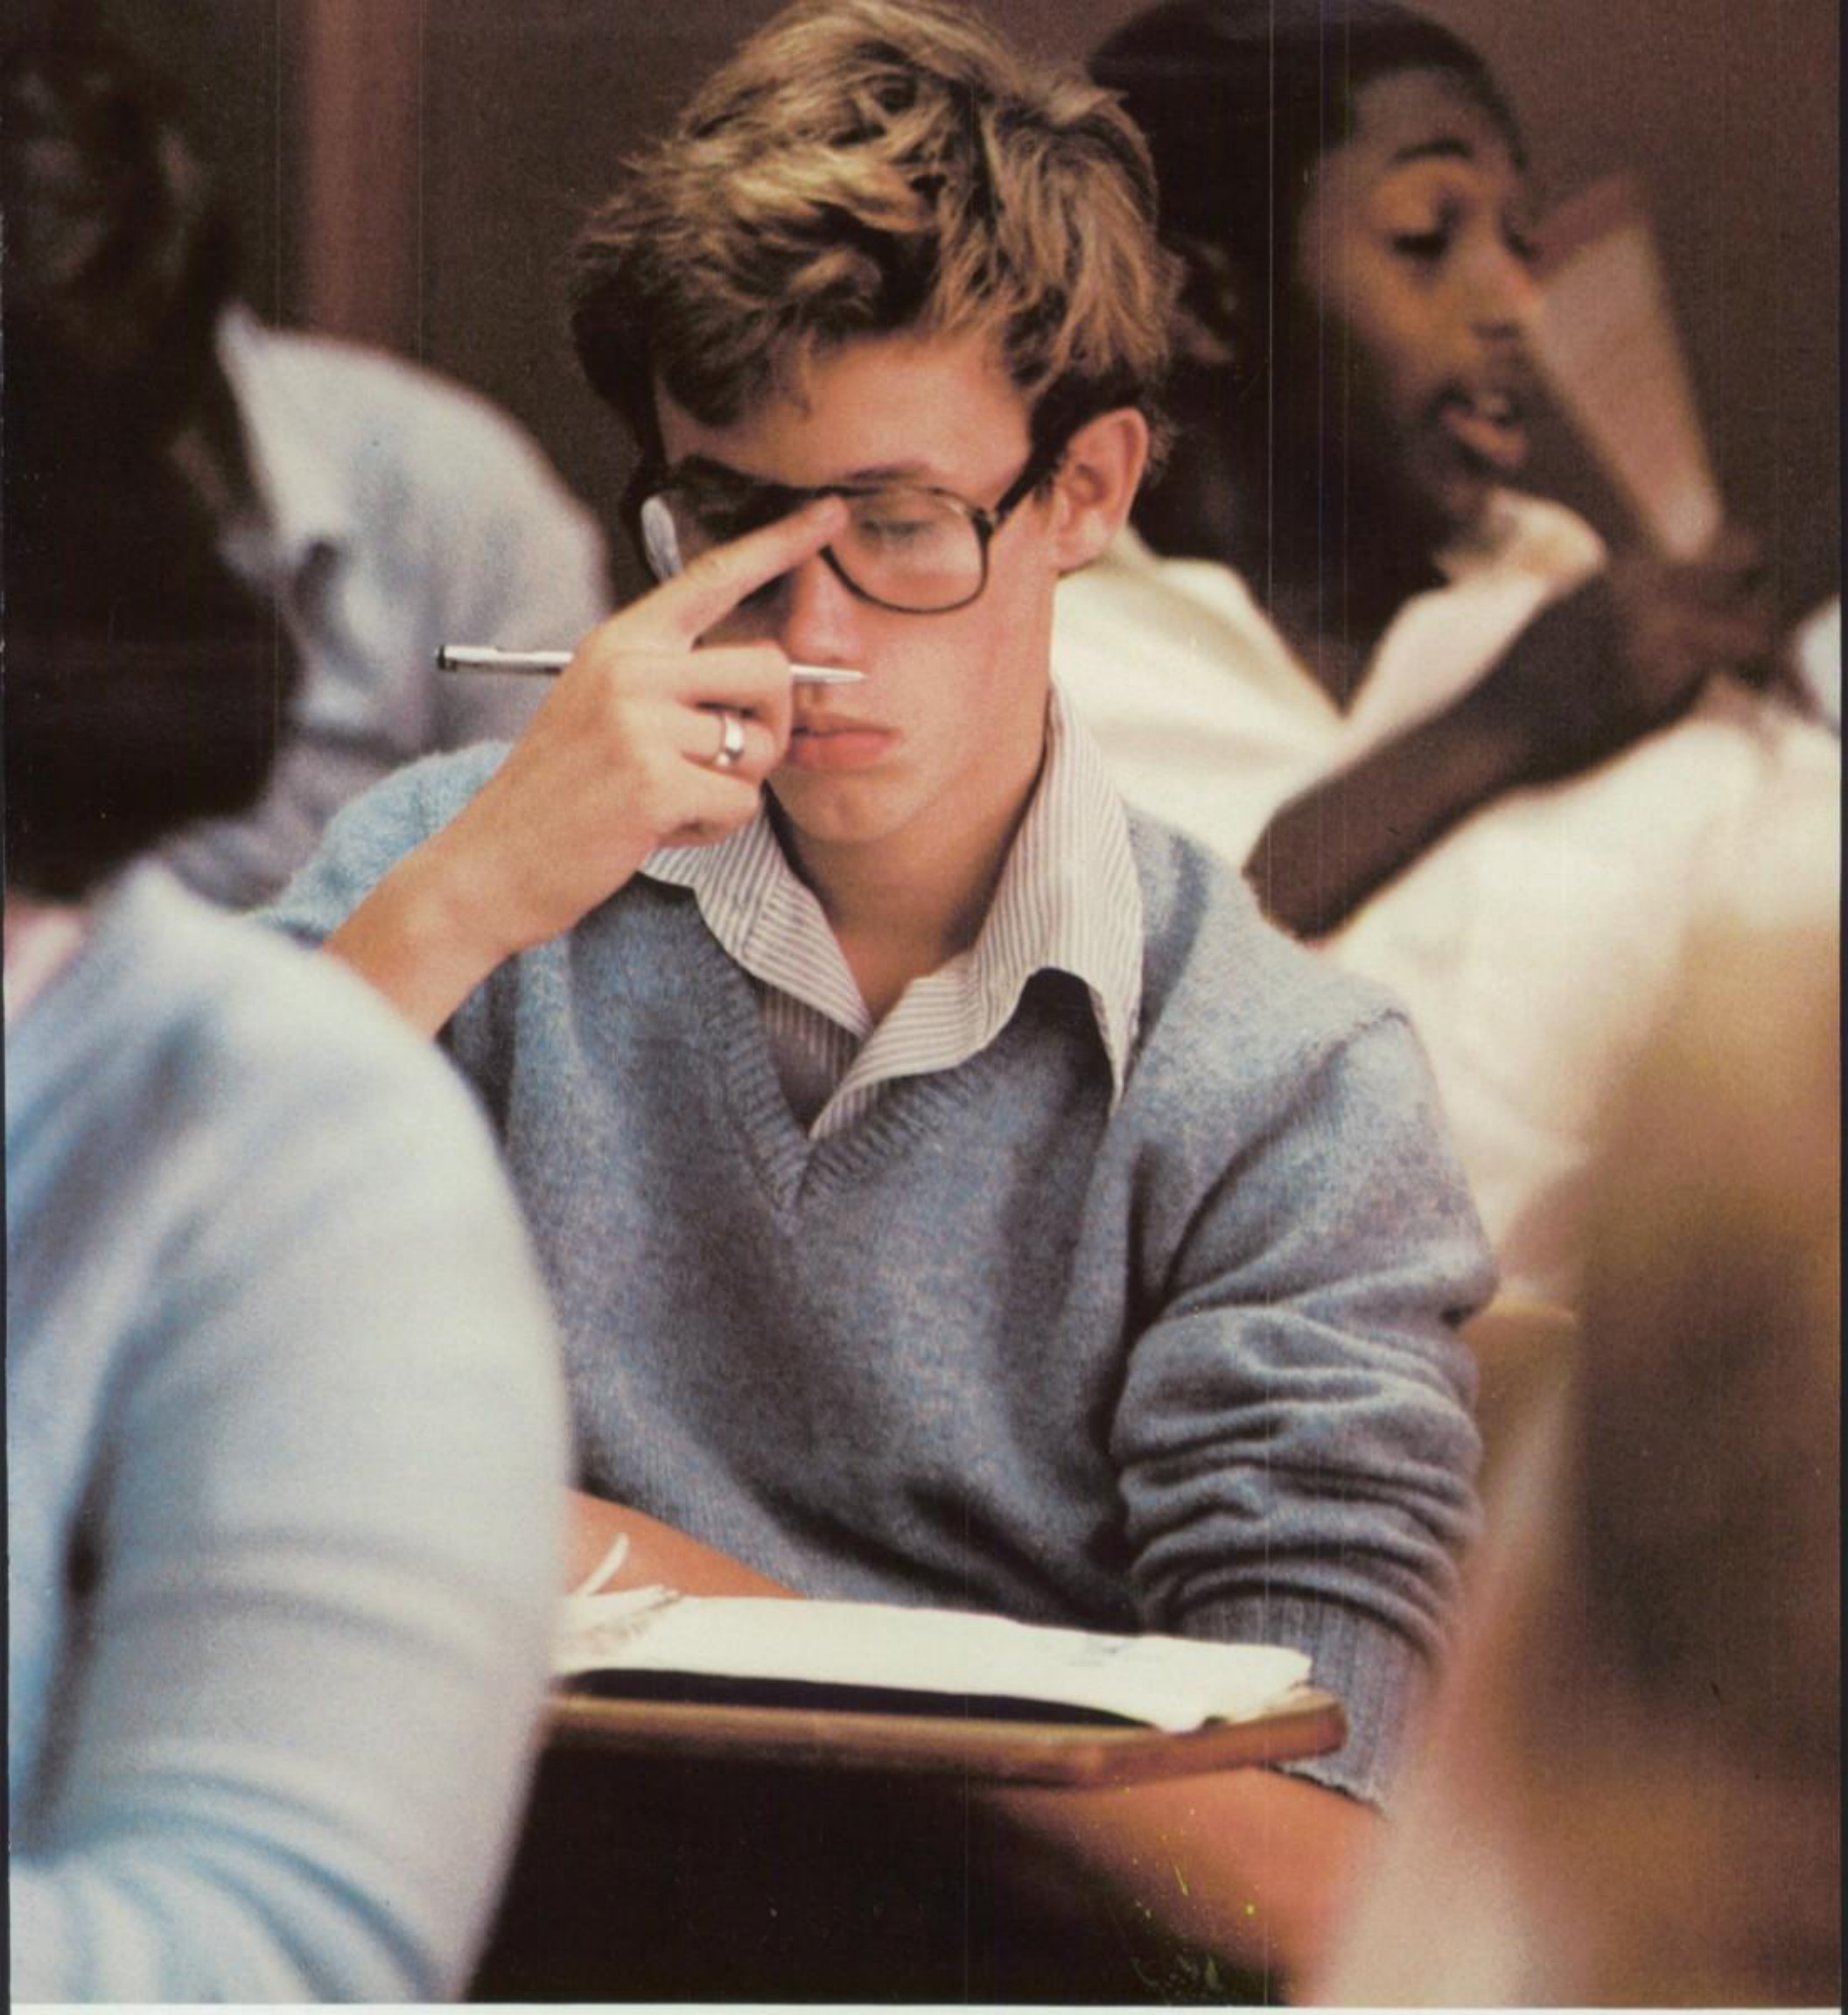




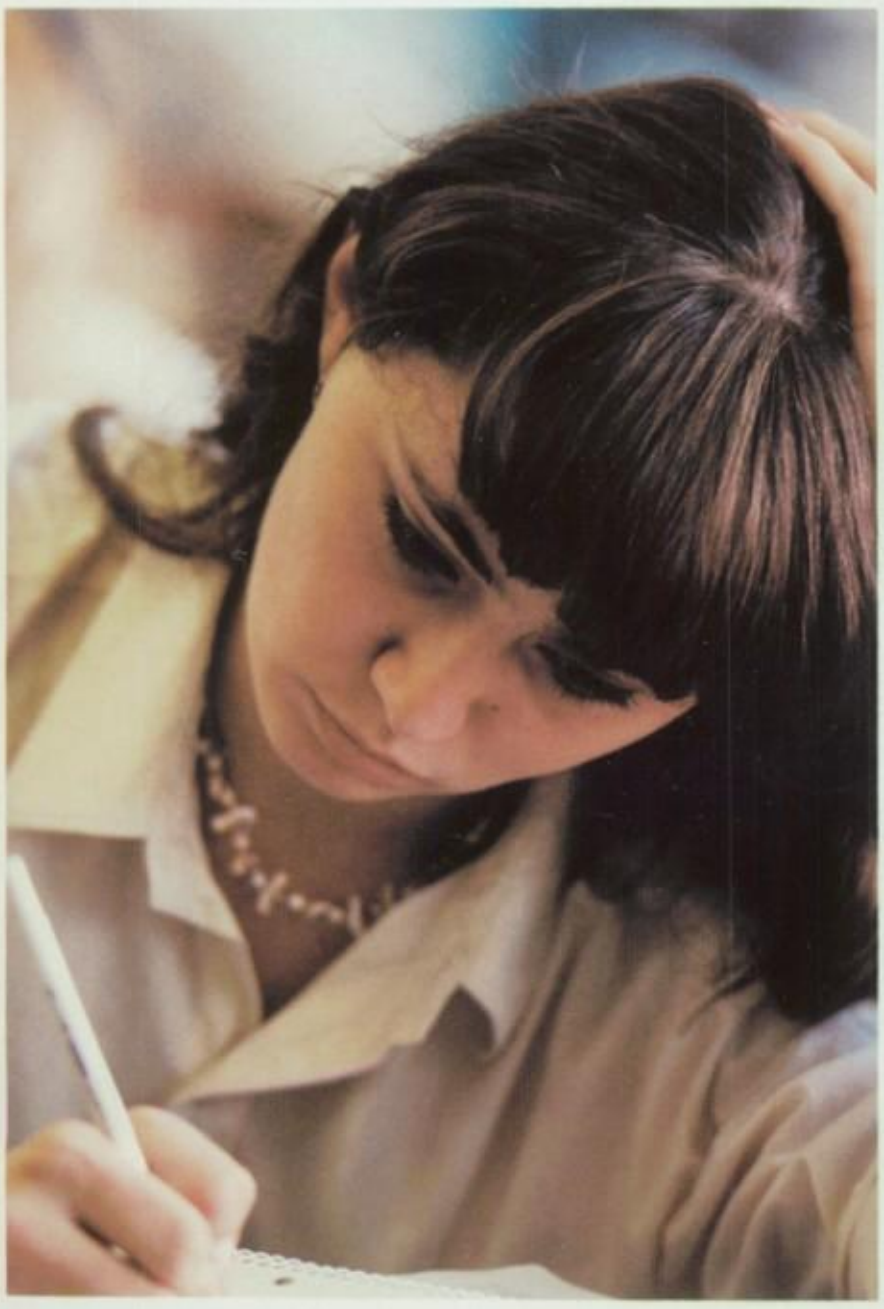
Up and rising
We've traveled so far together down a long, twisting road

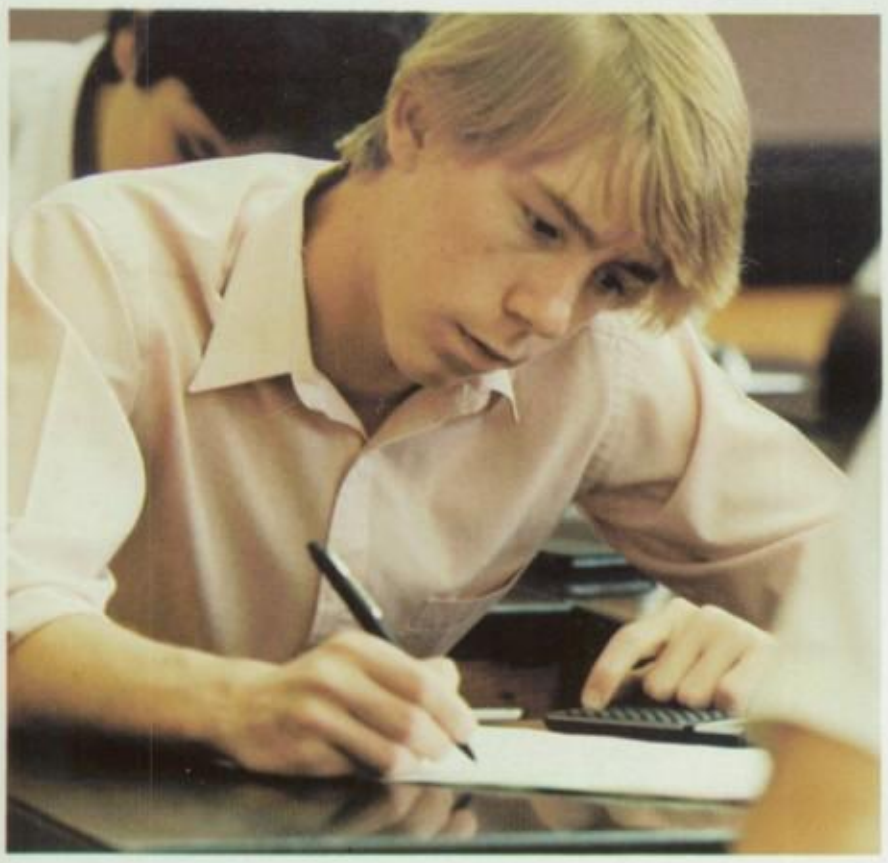






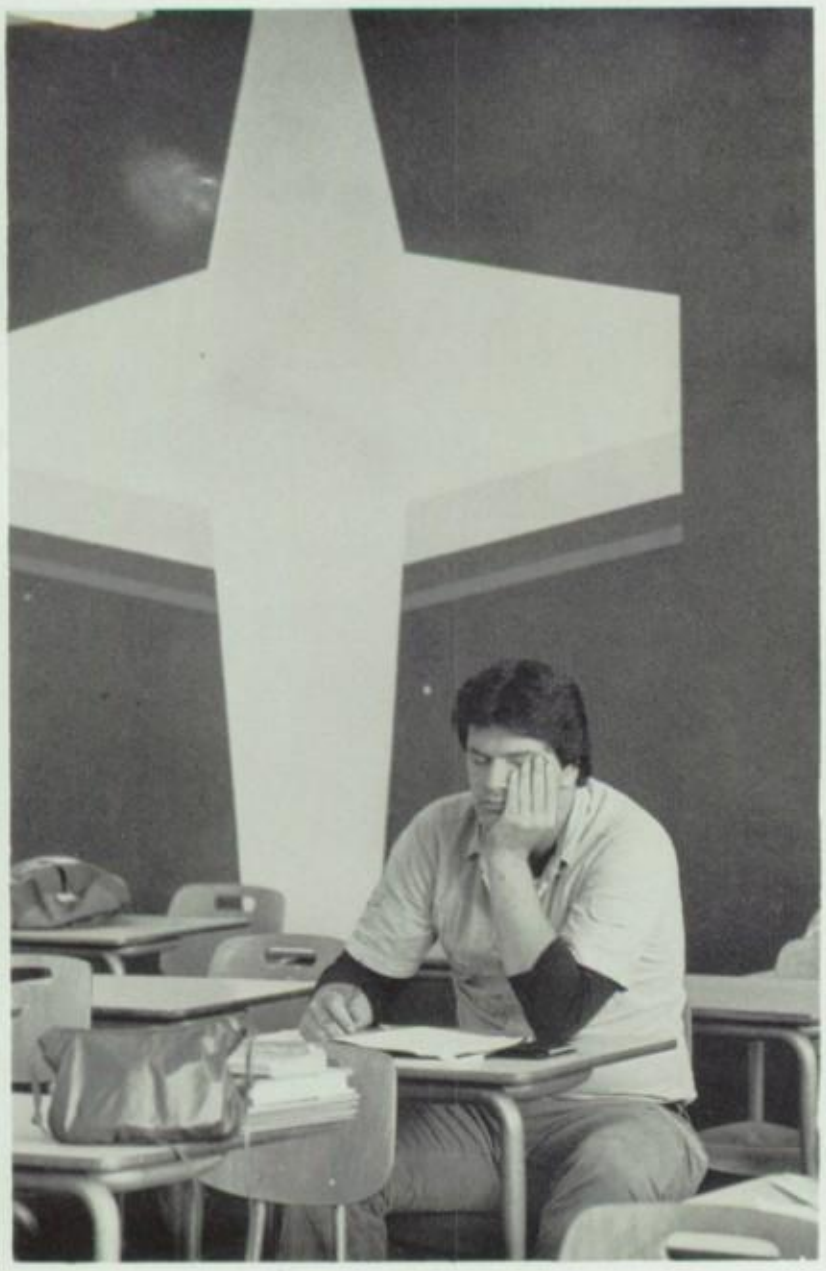
Never doubting; Sometimes stopping
But always pushing on.



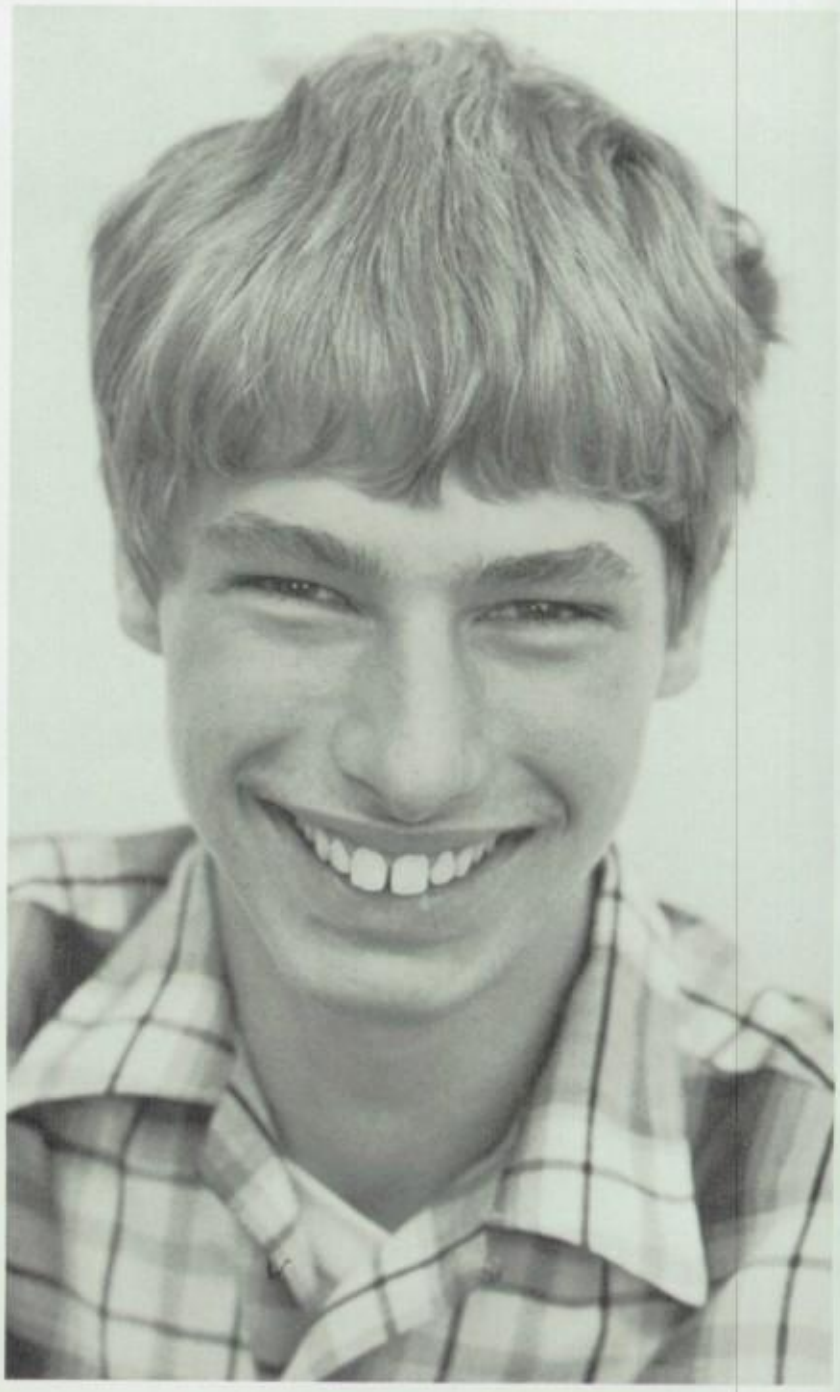


PURCELL
30

Up and rising
Striving for our goals
Climbing to the top
Trying never to stop
And everyday growing older, growing wiser.

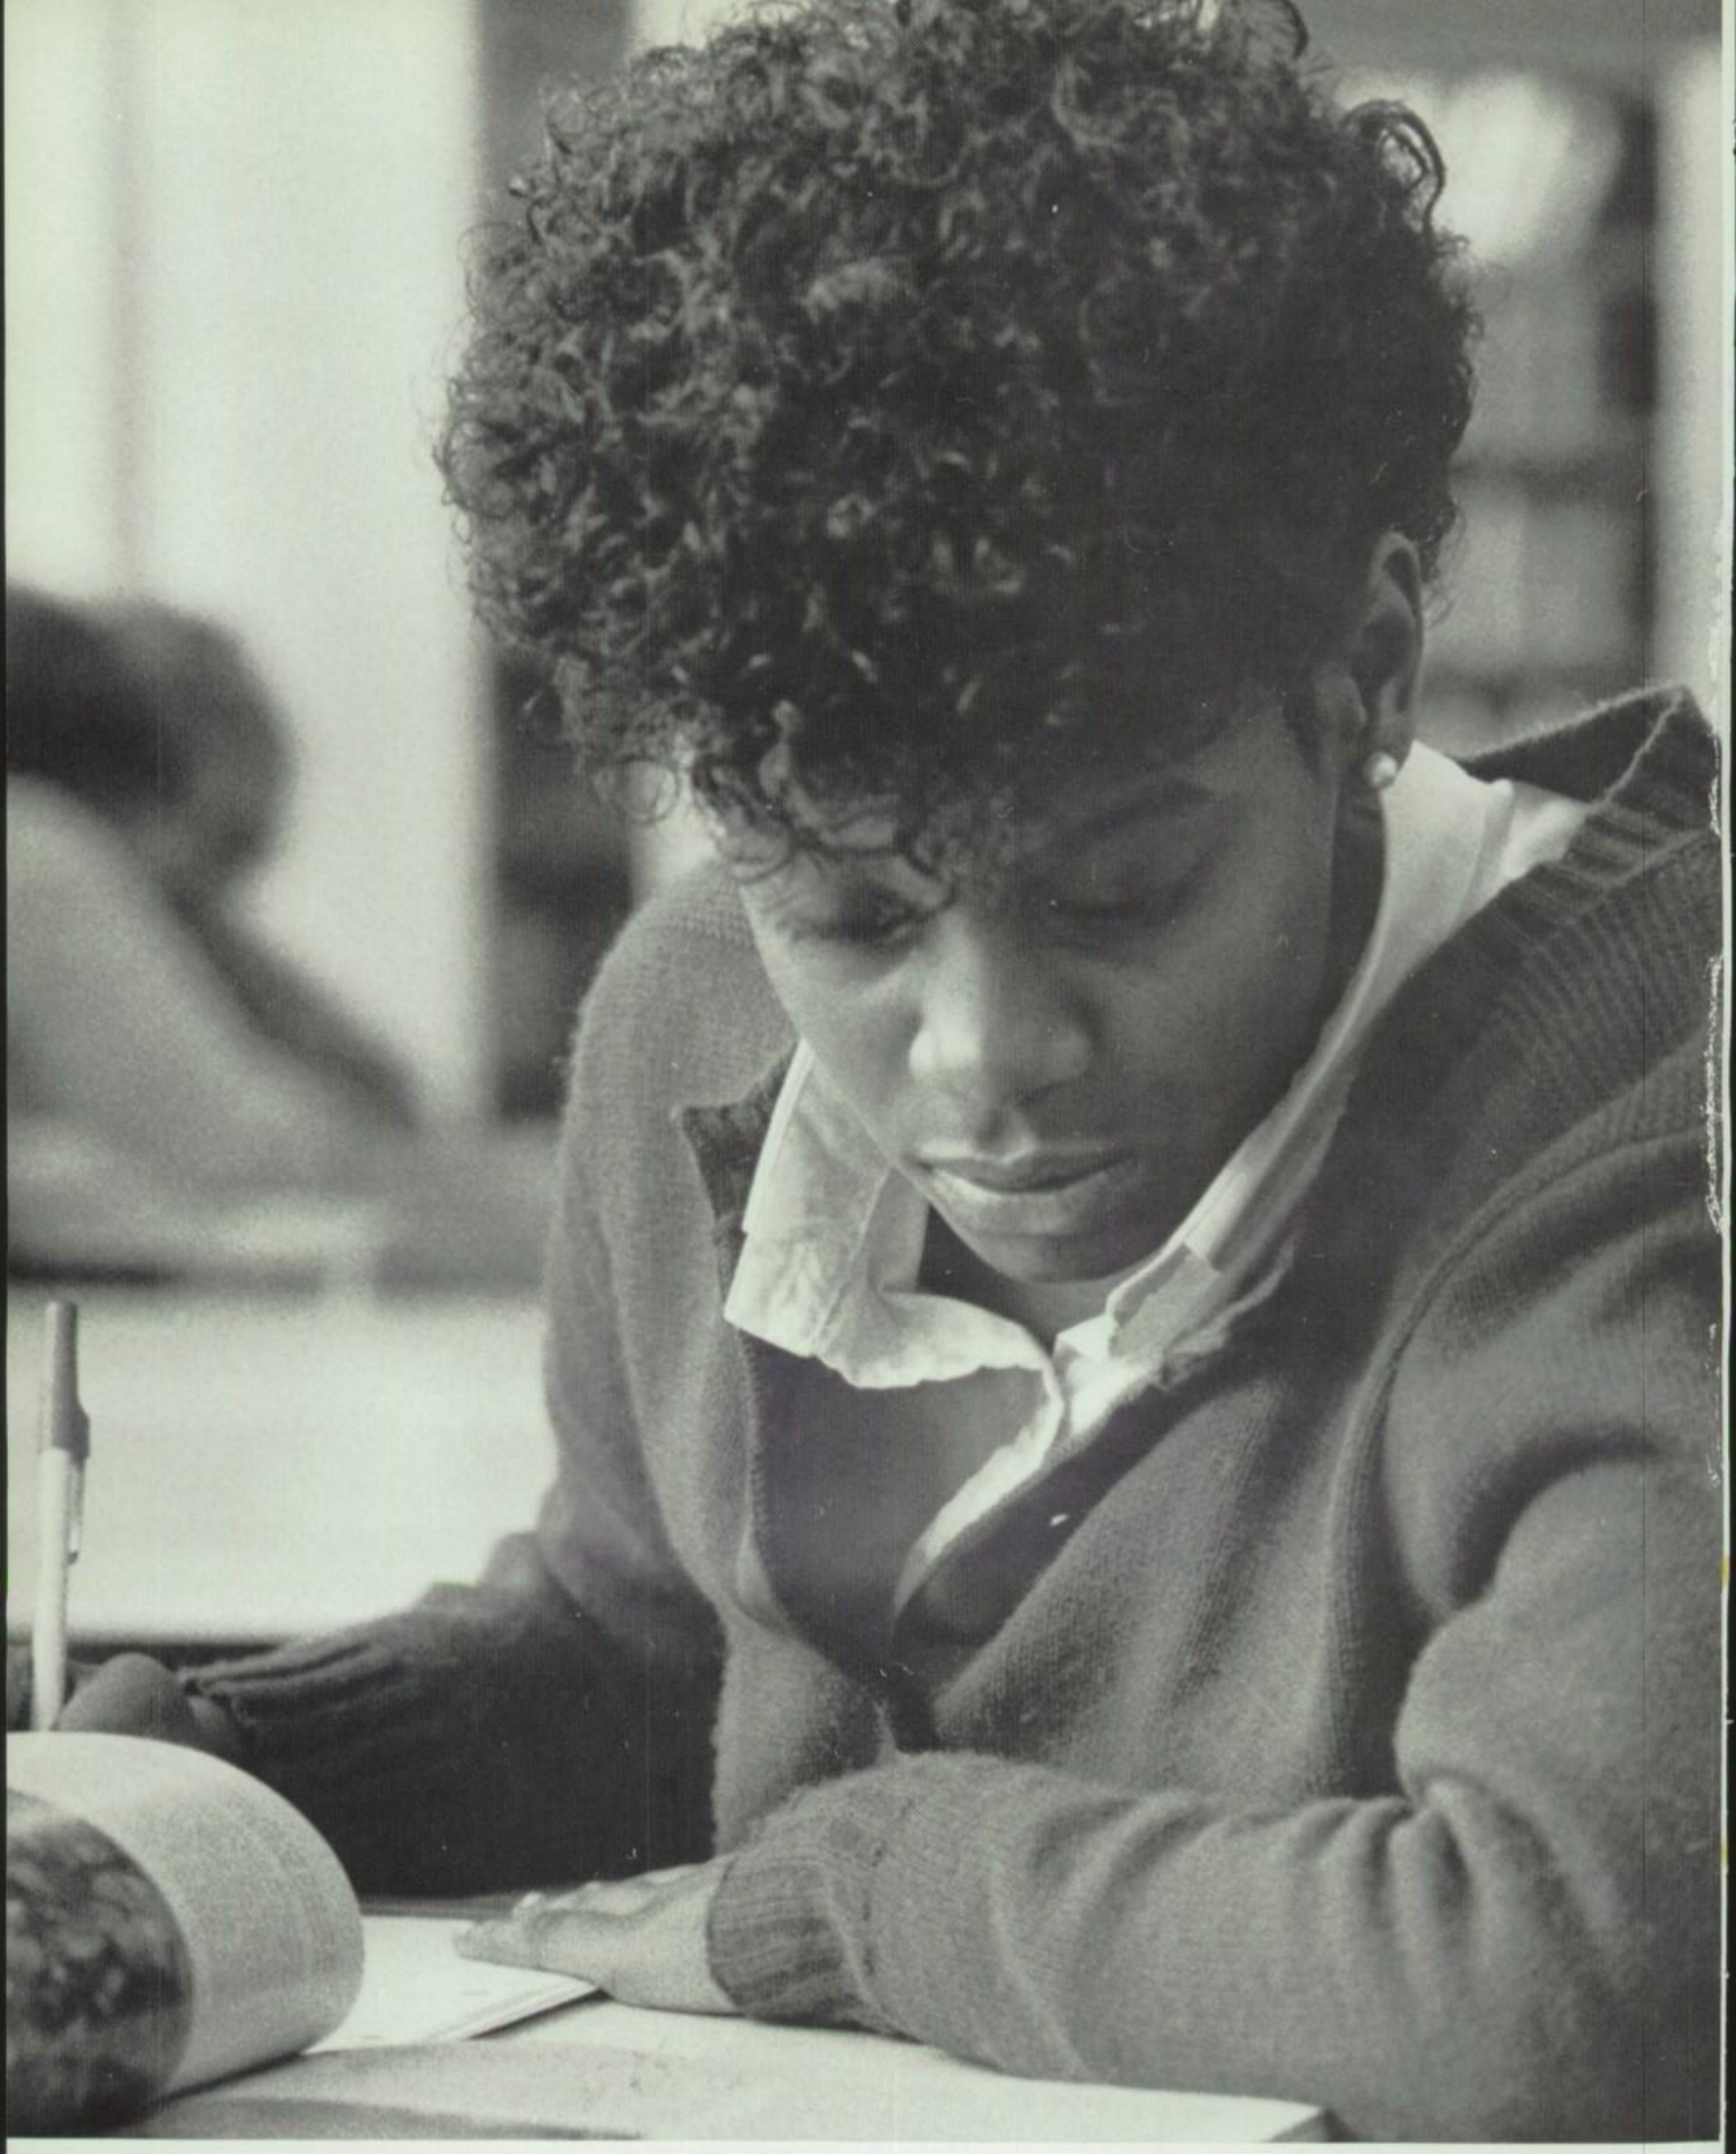


Up and rising
The children of this year
The future generation
And the old from yesteryear.



PM

Up and rising
The year comes to an end
But now and then we'll be back again
Up and rising once again.



Enthusiasm is the electricity of life.
How do you get it? You act enthusiastic
until you make it a habit. Hardly! En-
thusiasm is natural; it is being alive,
taking the initiative, seeing the importance
of what you do, giving it dignity and making
what you do important to yourself and others

TAKE TIME

Take time to talk,
For you may ask of all things
Unknown to you.

Take time to laugh,
For smiles relinquish sorrows
And spread happiness.

Take time to listen,
For you many learn
From the words of wise.

Take time to think,
For the realm of knowledge
Is neverending.

Take time to look,
For there is beauty
In every part of the world around you

Take time to live,
For each day is filled with
New opportunities
That will be gone tomorrow.

Take time to dream,
For survival is a forever challenge
That will be gone tomorrow.

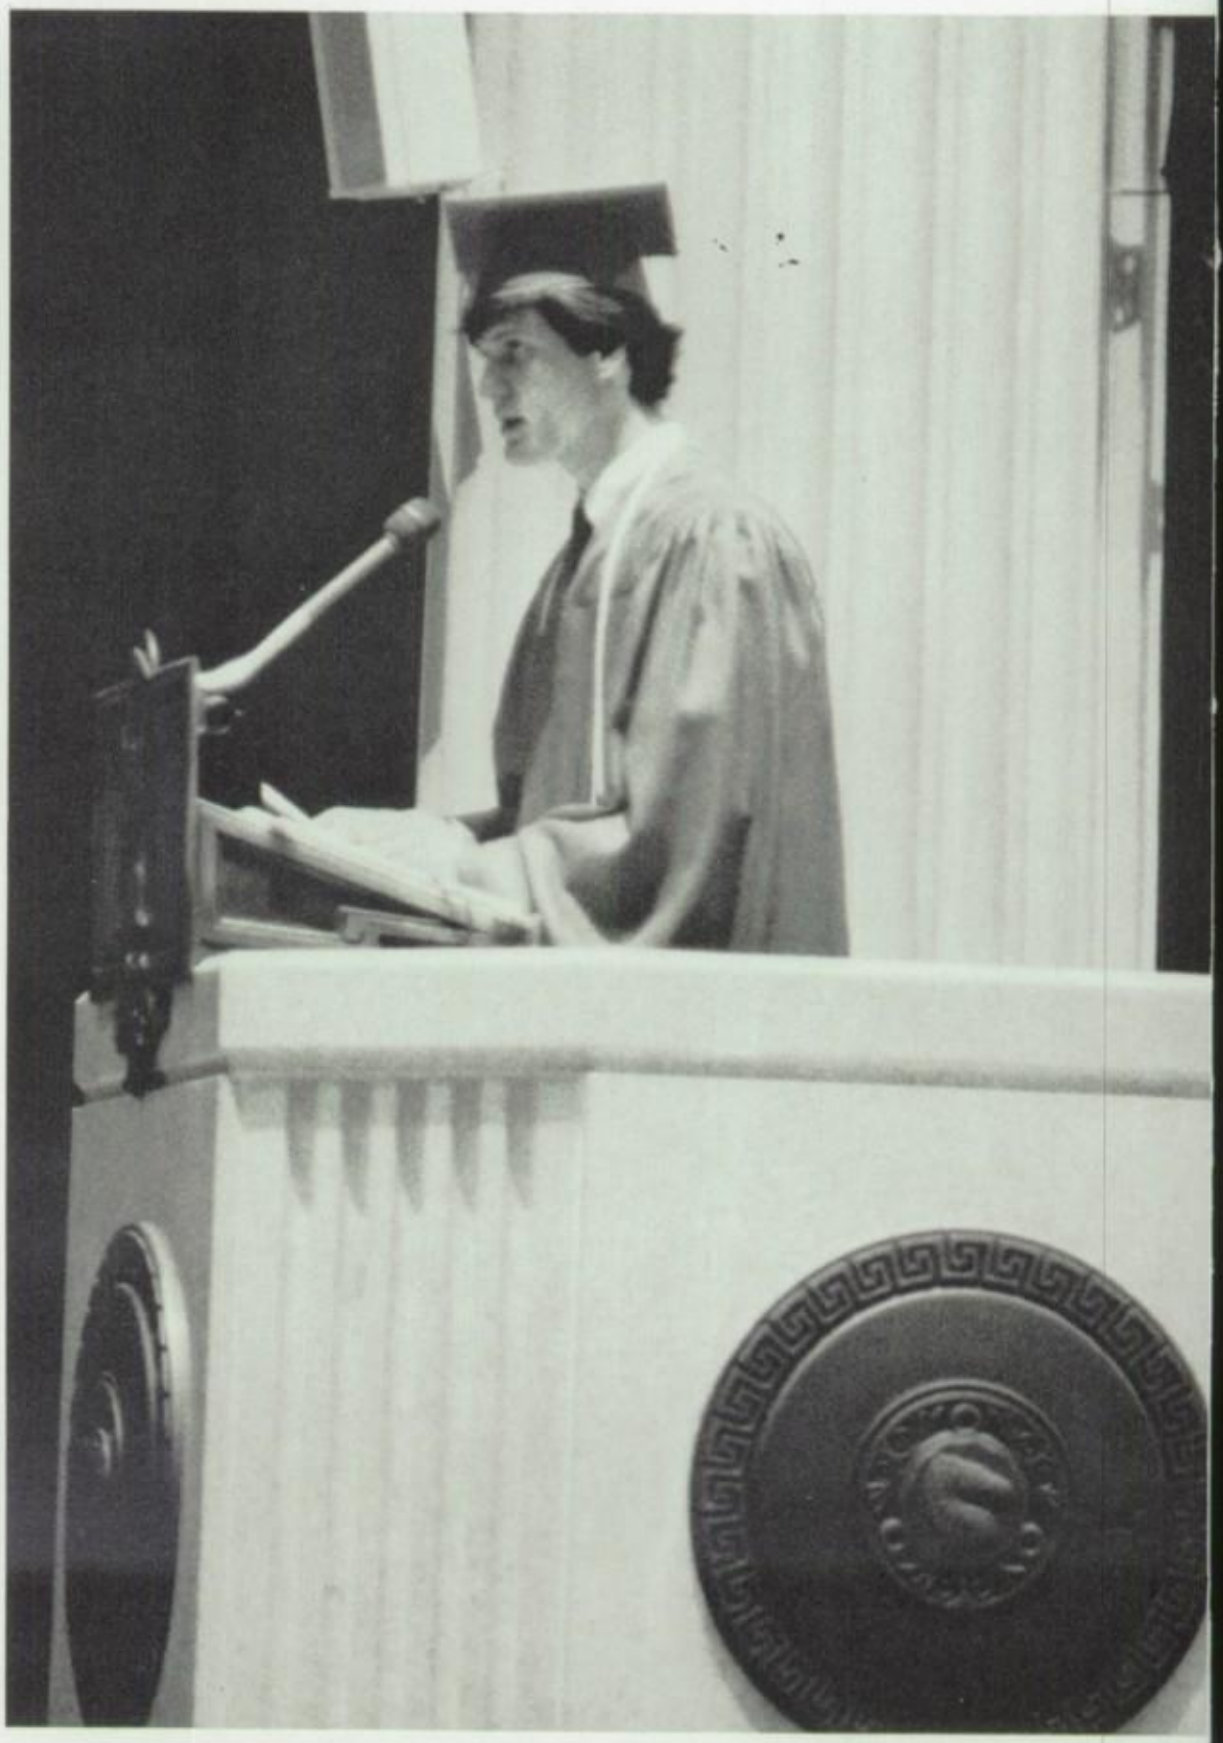
GRADUATION • JUNE 3, 1984



I am with you

IN MEMORIAM

RICK HASKAMP
A SPECIAL CAVALIER

The Lord is my shepherd; I shall not want.
In verdant pastures He gives me repose;
He refreshes my soul.
He guides me in right paths for His name's sake.
Even though I walk in the dark valley I
Fear no evil; for You are at my side
With rod and staff that gives me courage
You spread the table before me in the sight of my foes;
You anoint my head with oil my cup overflows.
Only goodness and kindness follow me all
The days of my life;
And I shall dwell in the house of the Lord
For years to come.

Psalm 22

THINKING

If you think you are beaten you are;
If you think you dare not, you don't.
If you'd like to win but you can't,
It's almost a cinch you won't.

If you think you'll lose, you're lost;
For out of the world we find
Success begins with a fellows will; —
It's all in the state of mind.

If you think you're outclassed
you are:
You've got to think high to rise,
You've got to be sure of yourself before;
You can ever win a prize.

Life's battle doesn't always go
To the stronger or faster man;
But sooner or later the man who wins
Is the one who **thinks** he can.

The Purcell Marian Varsity Football Team struggled through a disappointing season with a 3-7 record. In 1983 the Cavaliers found themselves short on size, experience, and depth as they began the long, hard job of rebuilding. The very tough, competitive schedule as well as key injuries throughout the season also played a role.

On the positive side, the Cavaliers improved with every game and were never shutout. This was a credit to the senior leadership and to the underclassmen who dedicated themselves to improving their skills in spite of the losing season.

The Freshman Football Team had a very impressive season by dominating every team they played and scoring 140 points against their opponents 32. The Cavalier team fell behind only once in the season game against Roger Bacon, but because of their discipline, spirit and size they came back to win the game 15-8.

Though they were a physical ball team they had very few penalties during the year. The future of the team looks bright and promises to be extremely successful.

The Women's Varsity Basketball Team did not have a good season as far as wins and losses. However, the team's future looks bright considering the experience the young players gained this year. The season ended with 2 seniors, 2 juniors, 5 sophomores, and 2 freshmen.

The G.G.C.L. coaches selected Martha Clements to the second team All Stars. Seven games were lost by an average of 4 points or less. Top scorers were Martha Clements, Lisa Barnett and Tracey Baldwin.

Andrew Denson finished a brillant career hitting .565 with 5 doubles, 3 triples, 5 homeruns, driving in 24 runs and scoring 30 more.

The Reserve Baseball Team showed character and determination throughout a rough season. Relying on Freshmen pitching for most of the year they managed a 5-7 mark, usually against older opponents. Though the team lost some tough games early in the season they were able to defeat Moeller, Roger Bacon, and St. Xavier to prevent the latter from sharing the GCL championship.

Because of the rains and inexperience of a young team, the Varsity Softball Team ended the season with a discouraging 5-10 mark. The team was very successful against A and AA teams, with a 5-2 record against teams our own size but failed to compete well with AAA teams. The majority of the team members will be returning next year making the season look hopeful.

The Lady Cavalier Reserve Softball team experienced a sporadic season. After dropping their first 3 decisions, they rallied for 3 straight wins over Mercy, Princeton, and Seton, before being rained out for almost a week.

The season was marked by much improved hitting, pitching, and fielding. Team batting average was .305, and fielding average .726. With only 4 sophomore players and 15 freshmen the best reserve team in Purcell Marian history promises to be even better next year.

WOMEN'S VARSITY TRACK Front Row: Regina Cavalier, Nancy Ludwig. **Second Row:** Yolanda Baldwin, Lynn Ruter, Nancy Bryant, Celeste Cooper.

The highlight of the Men's Varsity Track season was winning the Covington Catholic Relays. The team finished 4th in the GCL and 10th in the Cincinnati District. Three runners qualified for regionals: they were Vince Anderson in 110 high hurdles; Tony Ball in the Mile; and Mark Courtney in the half mile. Mark Courtney was the only runner to qualify all the way to the State Finals.

Despite the loss of some of the best runners in the school, and the lack of experience, the Varsity Women's Track Team finished 6th in the girls GCL meet. Individuals that had fine performances in the district meet were Regina Cavalier in the 400 dash, Emily Hobbs in the 100 and 200 dashes, Edna Hobbs in the 300 lane hurdles, and Annette Boner in the shot put.

School records were set by Regina Cavalier in the 400 dash and the 800 and 400 relay team. With a better turn out from the Sophomores and Juniors next year the team will be stronger, but will greatly miss the graduating seniors.

The 1983 Cross Country Team prepared early in August for a very short season which consisted of six meets before the sectionals. Although the team didn't receive a great amount of notoriety, a number of them were very successful and competitive throughout the season.

The Cavalier team finished 7th in the sectionals with Karen Cameron, Tony Ball, and Mark Courtney qualifying for the district meet.

Overall, this year's Tennis season was greatly improved over last year. The team ended up 6-8 overall and 2-8 in the GCL. The team had hoped for a much better season but key injuries interfered. The most positive element was the greatly improved record over last year's 1-13.

This years Women's Varsity Soccer team turned out to be a very young team. The Lady Cavs suffered a disappointing season winning only one game against Cincinnati Country Day and tied a previous game against the same team 3-3.

The Lady Cavs showed exceptional development throughtout the season. This year's 15 game schedule turned out ot be a little too rough for the Cavs. Next year's team looks to be well developed and skilled.

The Reserve Women's Soccer Team ended the season 5-8-1. They played well as a team and fought hard until the end of every game. The team's overall skill level improved greatly as the season progressed.

GOLF & FRESHMAN SOCCER

The Purcell Marian Golf Team suffered a dissappointing season because of their inability to reach their maximum potential. The major problem was inconsistency. The loss of the team's number one and number two players was another major problem in their performance.

Looking on the brighter side, these injuries gave valuable match play to the sophomores, thus giving them the opportunity to strengthen the team for next year.

Teacher

A school can lose. Any school can lose.
But in a sense, a very real sense,
A teacher never loses.

For the job of a teacher is over and finished
Once the final bell rings.
He knows if he's won or lost.

For a teacher had two tasks:
The minor one is to teach skills;
To teach a student how to read, write, add and subtract.
The second task, the major task is
To take men and women out of boys and girls.
It is to teach an attitude of mind.
It is to implant and not simly impart skills.

It's to teach boys and girls to play fair
This goes without saying.
It is to teach them to be humble in victory
And proud in defeat.
This goes without saying.

But more importantly, it's to teach them
To live up to their potential no matter
What that potential is.

It's to teach them to do their best
And never be satisfied with what they are,
But to strive to be as good as they can be
If they would try harder.

For a teacher the final grades don't read:
So many "A" students and so many "F" students.
Instead it reads:
So many men and women out of so many boys and girls.

A teacher can never make a great novelist
Out of a student who isn't potentially great.
But he can make a great achiever out of any student.
And miraculously, He can make men and women out of boys and girls.

And these are the grades that are never recorded,
And these are the statistics he keeps for himself,
And in which he finds his real joy
When the final bell rings.

FACULTY FEATURE

As many of you know this was Bro. Tom Pieper's last year at Purcell Marian. Being a part of making this school a great place to live and learn is only one of the many things that Bro. Tom will greatly miss.

The friendliness of the students and teachers is one aspect Bro. Tom especially enjoyed. "Once the students get to know you as a caring teacher then they too will respond in the same way." The wide variety of students that make up the school is a vital ingredient in helping to make P.M. a unique place to be. Brother has been instrumental in the development of school spirit through Spirit Week, The Walk, Retreats, and the reorganization of Student Council.

During the past 17 years of service, Bro. Tom has shared a portion of his life with many of the students at the P.M. Castle. He has shared his faith, knowledge, experience of living, and creativity. We can all feel the emptiness that is left behind in Rm. 15 without Bro. Tom's encouraging words and compassionate heart. Thank you Bro. Tom for going out of your way to aid in the growth and enrichment of the lives of students and faculty for the past 17 years. You will hold a very special place in the hearts of many in your absence.

Mrs. Foley has been writing for her own pleasure, clarafication, and creative outlet for several years. The topics about which she writes focus on children, marriage, education, religious education and family — all of which are the center points of her life. This was the first year that Mrs. Foley had received acceptance of her story of "A Family Reunion".

Acting as Faculty Rep. for the past two years, Mrs. Foley has worked with a committee which emerged from the brain-storming of P & G. Faculty Rep along with Faculty Welfare, she tries to stay in touch with faculty needs in an effort to work for a greater satisfaction and productivity of the faculty as a whole. Other members are Bob Konkoly, Fr. Kip Stander, Mike Kelly, Randy Mecklenborg, and Barb Reichelderfer.

Mrs. Foley began her career teaching grade school and gradually became interested in Religious Education. She taught at Purcell for 3 years and has been teaching at P.M. for three. Mrs. Foley finds Religion to be a rewarding teaching area because it allows her to be a part of what she feels is the most important part of life: Search for Meaning. "The warmth and honesty of students and faculty is a major contribution to why P.M. is the best place to teach."

FACULTY FEATURE

Joe Necessary is irreplaceable in the eyes of everyone at Purcell Marian. Some people know Joe only as the "Head Custodian", but to most people he is their Savior in Distress. I'm sure that Mrs. Moran could never forget the countless times he has repaired the broken windows in her room or that Mrs. Foley could never forget the times that he fixed the movie screen in her room. Bro. Johnson remembers the many times that Joe has come to school at 2:30 or 3:00 in the morning because the alarms have sounded or the building has been flooded.

Earlier in the year Joe was honored by the faculty and students for the 30 years of service he dedicated to Purcell and Purcell Marian. This celebration was not to honor Joe's retirement but to demonstrate the deepest appreciation and thanks for the many qualities that make Joe the key to the function of not only the maintainence of the building but the well being of the school. In the hearts of many Joe deserves a world-wide round of applause.

FACULTY FEATURE

Have you ever heard of the Mary Rowe Moore Admissons with Distinction Award at U.C.? That is the very same Mrs. Moore that is a guidance counselor here at P.M. The 300 students that receive this award yearly must be in the top 5% of their class and must have scored at least 25 on their ACT or a 1100 on their SAT. This award was named for Mrs. Moore because of her long dedication and hard work in assisting the University with student promotion and hospitality.

Mrs. Moore's greatest satisfaction and joy of being a guidance counselor at P.M. is the close family atmosphere between the students and the faculty. "The atmosphere is one of feeling that you belong to a big family. They care for you and want you to come up to your very best as a fine person and a fine student."

Mrs. Moore's all time favorite activity outside of P.M. is golf. In fact, she's even been known to take off early to hit the golf course. Another favorite hobby is working in her yard and trying to be patient with the squirrels who insist on replanting the flower bulbs in other places.

Mrs. Moore is a great asset to the P.M. family and will always be deeply appreciated for her outstanding accomplishments.

FACULTY FEATURE

Mr. Stansberger has been teaching since 1974 and previously taught at New Morning High School, University of Cincinnati, and for short periods at both Port Clinton and Upper Valley High Schools.

Mr. Stansberger has had many outstanding achievements. Among these are two collections of poetry published and two plays performed. Sixty other poems have been published in magazines throughout the country. Last December he received the Post-Corbett Award in Literary Arts.

Looking at the personal side of Mr. Stansberger, we find that he is married and enjoys the quiet life. Mr. Stansberger's wife enjoys sewing quilts and other items. In his spare time he enjoys writing and is a fair domino player. Together they enjoy the outdoors and like to travel as far away from civilization as possible.

Faculty Feature

Sr. Francis Elizabeth Hoying is a member of the Sisters of Charity of Mount St. Joseph and has been teaching for over forty years. During that time she has encountered all levels in elementary, secondary, college, and adult education. She has worked with Special Children such as the learning disabled, emotionally disturbed, mentally retarded, and gifted students.

Her experiences in teaching have been in Ohio, Michigan, and New Mexico as well as working faculties at the University of St. Louis and Fontbanne College. Before returning to Marian High School, she was a member of the Edgecliff College Education Dept. where she directed, taught, and supervised student teachers.

Sister's greatest desire, she says, is to help those who cannot help themselves. "They always say, 'Good students will learn in spite of you, slower ones cannot' " That's why sister is at P.M. "There is so much to do here, but sometimes students don't take advantage of all we try to give them. If students only realized how much we care."

"We try to help the poor in their poverty of material things, but the poor in spirit is another facet all too many of us forget."

THE WINDOW

Sitting in a room
I listen to the monotonous hum
of an instructors voice.
On and on goes the tireless
tongue.
Finally, when my head is heavy
And my thoughts are blurred
My eyes shift to the window
The window — a passage of
Escape from this boredom.
The only means of contact with
The outside world.
I wish I was out there, with nature
Smelling the soft scents of spring.
Listening to the creek talking
with itself.
Feeling the warm glow of sun.
Then, suddenly, the shade is drawn.
I am again trapped in this room.
But, on the floor by my chair
There is a small green leaf.
A reminder of the world beyond
The window.

In Memorium

Tom McHugh

Everything that happens
in this world happens at
the time God chooses.

He sets the time for birth
and the time for death,
The time for planting and
the time for pulling up,
The time for killing and
the time for healing,
The time for tearing down,
and the time for building.
He sets the time for sorrow
and the time for joy,
The time for mourning and
the time for dancing,
The time for making love
and the time for not
making love,
The time for kissing and
the time for not kissing.
He sets the time for finding
And the time for losing,
The time for saving and
the time for throwing away,
The time for tearing and
the time for mending,
The time for silence and
the time for talk.
He sets the time for love
and the time for hate,
The time for war and
the time for peace.

Activities

You can see the enthusiasm in the eyes of a runner who has crossed the finish line, accompanied by the cheer of the crowd. You can see it in the eyes of a hunter who impatiently awaits opening day and dreams of that record hunt. You can see it in the eyes of a homemaker making rugs, a pastime she has enjoyed for decades. Maybe you hear a sparkle in the voice of a long-distance biker or perhaps there's just a murmur of pride in the comments of a woman who has made her favorite bread for bake sales.

Everybody has a special gift. Those who take advantage of it have a constant source of joy.

YEAR MEMORIES

Yesterday's roses

Pressed smooth between pages

Of the past.

A prom bid,

A commencement announcement,

A report card.

Yesterday's faces

Cheering bright at a rally.

Quick smiles flashing,

Suddenly retrospective,

A vulnerable smile — that touches,

Tremulous now,

Not a book

A heart.
